Gift Aid Scheme

Income from subscriptions and tickets does not fully cover the cost of concerts – we need substantially more!

The Government knows this and repays nearly 30% tax on the income which we receive from taxpaying members who sign the declaration below.

In order that your payments qualify for Gift Aid, it is deemed that 10 % of your payments act as a donation to the Society.

Declaration

I am a UK taxpayer and would like all monies paid to Hartlepool Music Society to be considered to have been made under the Gift Aid Scheme. This includes all monies paid in the future.

I will notify you if I cease to be a UK taxpayer.
